Common Council President

10th District Alderman

Michael J. Murphy
City of Milwaukee Common Council

February 12, 2014

The Honorable, Members of the Milwaukee Common Council

Honorable Members and Colleagues:

First, let me restate my gratitude for the trust you placed in me in electing me as common council president. I look forward to working with each of you in the coming months to move our City forward and improve the lives of all of our constituents.

Attached to this letter, please find a new list of committee assignments to be effective immediately. I want to thank you for your participation in this process – particularly on such short notice. Your input was very valuable.

In these assignments, you will see that I have not made radical departures from those made by my predecessor. I believe the Council and its committees have functioned well over the past several years. I view those changes that have been made as an opportunity to align committee seats with the unique abilities of each member in the hope of taking advantage of your talents and backgrounds.

As you know, there will be an election to fill the vacant seat in the 15th aldermanic district in the late Spring. I will reevaluate these assignments at that time to ensure that our newest council member fully participates in the committee system.

Should you have questions of me, please never hesitate to contact me at your convenience.

Respectfully,

Alderman Michael J. Murphy
Common Council President
