Bronzeville New Homes Initiative

The City of Milwaukee is pleased to offer the Bronzeville New Homes Initiative to promote homeownership and new construction in the greater Bronzeville area – from North Martin Luther King Jr. Drive to I-43/North 7th Street between West Garfield Avenue and West Center Street. This new housing will be a perfect complement to the Bronzeville Cultural and Entertainment District activities along the North Avenue corridor.

The City has a select number of lots to be sold for \$1.00 to buyers who agree to build traditional-style homes and occupy for 5 years. All construction must conform to the Bronzeville Traditional House Design Standards so as to complement and strengthen the existing fabric of the neighborhood.

The City also provides buyers with a five-year forgivable second mortgage loan of \$10,000 as part of this initiative.
